

BSR Membership Benefits Overview

BSR equips its more than 300 member companies with insight to see a changing world clearly. Our members have preferential access to BSR's insight, advice and collaborative opportunities, while joining a powerful global network of like-minded companies, thought leaders, peers, and stakeholders.

From its offices in Asia, Europe, and North America, BSR develops sustainable business strategies and solutions through consulting, research, and cross-sector collaboration. Visit www.bsr.org for more information about BSR's more than 30 years of leadership in sustainability.

BSR Member Benefits

BSR equips its more than 300 member companies with insight to see a changing world clearly. Our members have preferential access to BSR's insight, advice and collaborative opportunities, while joining a powerful global network of like-minded companies, thought leaders, peers, and stakeholders.

COLLABORATION

Collaborate with peers and partners to address systemic and sector-specific challenges, share best practices and scale impact.

CONVENING & NETWORKING

Network and share knowledge with peers, and join convenings with key stakeholder groups around pressing sustainability challenges.

ADVICE

Create long term value with actionable advice that enables business resilience and innovation, and solutions which deliver broader impact to society.

INSIGHTS

See the changing world more clearly with insights from BSR's team of global experts to understand how environmental and social shifts are shaping our world and our future.

BSR Corporate Membership

Private companies from any sector and geography who are committed to improving their practices and impact are eligible to join BSR Membership.

Corporate Members

- Companies that are committed to improving their sustainability performance are eligible to join BSR. BSR maintains an open membership policy – refer to our [FAQ page](#) to learn more.
- Corporate members can extend some benefits to their subsidiaries or select portfolio companies.
- Membership can be initiated at any time, and dues are renewed annually based on a company’s total consolidated annual revenues for the most recently completed fiscal year for which audited financial statements are available, per the table below.

Annual Revenues	Annual Dues
Less than US\$5 billion	US\$20,000
US\$5 billion - less than US\$10 billion	US\$25,000
US\$10 billion - less than US\$20 billion	US\$32,000
US\$20 billion - less than US\$50 billion	US\$40,000
US\$50 billion or more	US\$47,000

Spark Members

- Spark membership is an invitation-only opportunity for existing BSR members. It provides expanded member service and benefits, delivered by a dedicated support team led by a senior BSR executive, and special consulting rates.
- SPARK members can extend some benefits to their subsidiaries or select portfolio companies.
- Like for corporate membership, SPARK members can be onboarded at any time and dues are renewed annually.

Annual Revenues	Annual Dues
The Spark member fee is not based on revenues	US\$ 100,000-150,000

Membership for smaller companies and non-profit organizations

BSR also offers membership options tailored to small and medium sized companies and to other types of organizations.

Associate Members

- Associate Membership is available to **non-company organizations** (e.g., NGOs, non-profits, and academic institutions) with revenue below US\$1 billion.
- BSR retains the right to review associate member candidacy to ensure that membership is mutually beneficial for the entity, BSR, and BSR's member companies.

Annual Revenues	Annual Dues
Eligible organizations	US\$5,000

BSR Membership | Benefits Comparison

	BSR Corporate (US\$ 20K-47K for companies >\$1B)	BSR Associate Membership (US\$ 5K)
