## Complete List of BSR Collaborative Initiatives 2018

This document lists all BSR collaborative initiatives available for companies to participate in during 2018.

It also highlights for BSR members with annual dues of more than US\$13,000 how they can apply their **BSR Member Engagement Option** to offset the annual fee.

Companies are encouraged to participate in more than one collaborative initiative, and the document provides information to indicate which departments beyond the sustainability team would benefit from participation.

The majority of BSR Collaborative Initiatives run on a January-January schedule (except for those indicated by \*, which typically run July-July); however, most groups are open to members joining throughout the calendar year.

For more information about BSR Collaborative Initiatives, please check the [BSR Collaboration website](#) or contact the BSR Collaboration Team: [ci@bsr.org](mailto:ci@bsr.org).
